

Table A28. Income and employment characteristics of Dare County from 1994-2001.

Year	No. of Dealers	No. of Vessels ¹	No. of LICS issued	No. of Fishermen ¹	Avg. Annual Employment ² For All Industries	% of Work-force ⁴	Avg. Fishing Income ¹	Avg. Annual Wage per Worker ²	% of Annual Wage ⁵	Population ²
1994	74	613	864	547	14,140	3.87%	\$18,903	\$16,300	115.97%	24,977
1995	100	910	912	609	14,540	4.19%	\$19,128	\$16,693	114.59%	26,027
1996	102	667	1,018	594	15,300	3.88%	\$16,468	\$17,292	95.23%	26,849
1997	98	812	1,050	704	16,260	4.33%	\$30,489	\$17,989	169.49%	27,825
1998	103	740	1,107	645	16,290	3.96%	\$31,788	\$19,008	167.23%	28,546
1999	108	795	NA ³	562	16,900	3.33%	\$17,591	\$19,716	89.22%	29,416
2000	102	987	1,072	622	17,550	3.54%	\$37,881	\$20,946	180.85%	29,967
2001	92	927	1,066	615	17,060	3.60%	\$36,096	\$22,215	162.48%	31,209

1 Number of fishermen, vessels and average fishing income was determined using Trip Ticket Data and only accounts for participants who recorded landings during 1994-2001 and is based on residence.

2 Data obtained from the North Carolina Employment Security Commission Labor Market website <http://www.ncesc.com/> and the North Carolina State Data Center LINC website <http://linc.state.nc.us/>

3 Due to the change of the license system in the middle of 1999, an accurate number of licenses issued for that year is difficult to determine

4 Number of Fishermen / Avg. Annual Employment * 100

5 Average fishing income / Average Annual Wage Per Worker * 100

Table A29. Income and employment characteristics of Hertford County from 1994-2001.

Year	No. of Dealers	No. of Vessels ¹	No. of LICS issued	No. of Fishermen ¹	Avg. Annual Employment ² For All Industries	% of Work-force ⁴	Avg. Fishing Income ¹	Avg. Annual Wage per Worker ²	% of Annual Wage ⁵	Population ²
